ITEEN Tutors' Training, July 2-4, 2006

We praise and thank God for helping us and guiding us in conducting our three-day tutors' training successfully. I thank all the staff team and volunteers of ITEEN who helped in every way to conduct the training smoothly. There were 8 participants from four different district of Nepal. Seven of them were from Navajeevan Church and one was from RTN Church.

<i>S.N.</i>	<i>District</i>	<i>No of Participant</i>
1.	<i>Kathmandu</i>	5
2.	<i>Panchthar</i>	1
3.	<i>Lamjung</i>	1
4.	<i>Bhaktapur</i>	1

The following topics were covered during the training

Objective of the training, Black Box Model, History of TEE, TEE Method / Introduction of Student Book, TEE tutor, Administration, Group tutorial, Teaching methods and Presentation, Courses and Certificates and Finance etc.

Tanka Subedi, Rita Subedi, Namrata and ND Lama were Involved to cover the above topics. On the first day ITEEN and its methods were introduced. On the second day, the method was demonstrated to the participants by dividing them in two groups. Namrata and ND led the demonstration class. After that the participants were asked to practice TEE Method. Their performances were evaluated and suggestions were given to their improving their abilities to lead ITEEN groups by the facilitators.

<i>Name</i>	<i>Strong Point</i>	<i>Needs Improvement</i>
<i>Tanka Subedi</i>	Clear spokesman and happy with very good personality.	Take more classes
<i>Rita Subedi</i>	Cheerful, good teacher with good gestures, focusing on student's involvement.	
<i>ND Lama</i>	Cheerful, Very friendly and simple personality, good teacher, good communicator.	Managed hair in class time.
<i>Namrata Subedi</i>	Humble, cheerful and helpful.	Be bold, smart and raise your voice.

The training was concluded with a closing ceremony in which there were three guests. **Pastor K. P. Devekota** shared from the word of God. He shared that truth brings freedom referring John 8:31, 32.

The participants of this training were middle aged group ie 21-37. Except one all of them were capable and disciplined to complete their assignments and other activities on time. So everything was on time and everybody was successful. One was just literate and she found difficulties in group leading. So she did not come last day. As ITEEN has the policy of not handling ITEEN matters of own Church, so Sarju was not involved in teaching in this tutors' training as 7 of them were from his church-Nawa Jeevan Church. In our office, we do not handle the work regarding our own church so Mr. Sarju did not involve in teaching. But he was helping the training in different ways like taking pictures, preparing teaching materials, arranging class etc. Usually our training class is for three full days. But this training was 2 and half days only because most of them were Iteen students and upto some extent they were familiar with Iteen's study method.

Some Testimonies:

Mrs. Malati Pandey:

I love the courses of ITEEN. I am very much encouraged and I will encourage others to do this courses.

I was able to learn so many things after coming here. The lessons are full of knowledge and tutors are not teachers but facilitators in a group or as a team worker. This training helped us to develop overall.

It was easy to learn in the trainings because of trainer' behaviours. The technique of teaching is very good. After this training I came to know that the purpose of this training I will try to meet the objectives.

Ps. Narendra Subba:

I heard about ITEEN few years back through a Christian and came to know about the Bible courses given.

I thought that even residential bible course has not helped so much so what can this home study cover!

But later I learned and heard so many people are getting benefit from ITEEN. As I am pastor I had to lead the members in a good frame and it is not easy. I was encourage to do this ITEEN course by Mr. Tanka Subedi.

In this training as I did the lesson I was challenged. I had read those Bible chapter and verses several times but when I did the lessons I was surprised. And decided to do it myself first.

Before I thought I would not go but I will send others. Finally I came here for this training. And this training helped me a lot. Now I call myself lucky to be here and I am sure that I utilized my time very well by coming here.

Mrs. Susma Gauli:

I have gained a lot from this training. I have not done any ITEEN courses. I had started abundant life but stopped. After getting information about ITEEN I realized that I am late and wrong in thinking that this course is not for me. I came to know that the student of ITEEN had good knowledge of the Bible and in many things and found myself weak. At the beginning it was hard but in two days I have learned a lot. I will do this course and encourage others too.

In this training we had more female Participants than male. Which is opposite to other trainings. There were 20% male and 80% female. Following is the list of the participants along with their details.
